

Fire Chiefs Report

April 2024

FYI

As we moved into May, we had a calmer April, while we remained busy with Runs, Training, and our Bi-Annual Burn Refresher, we also hosted the Donaldson Career Center Fire Class for their final burns for FFI & FFII along with their skills check off.

Several members attended the 2024 FDIC. The training, vendors, networking was as advertised. This may have been one of the best training programs I've had the pleasure to attend.

Regarding the BlitzFire incident, our insurance has paid our claim for the equipment that was destroyed, and the process with the adjuster seems to be going smoothly for the property owners that were affected.

As you all know at our last meeting, Commissioner Clark excused himself after finding out his Mother-In-Law had passed. Per the families wishes, a memorial was made in her name and honor to St. Jude's Childrens Hospital.

Dear Anthony Segars,

Thank you for your incredible gift of \$100 in April 2024 to St. Jude Children's Research Hospital in memory of Emma Lee Benscoter. This generous gift will continue to bring hope to the children of St. Jude -- now and in the future.

Because of generosity like yours, St. Jude is able to continue providing lifesaving treatment to precious children fighting cancer and other life-threatening diseases. And families never receive a bill from St. Jude for treatment, travel, housing or food -- so they can focus on helping their child live. Your donation is truly a gift of hope for thousands of children around the world. On behalf of the children and families of St. Jude, we thank you for your support.

For the children,

Marlo Thomas
